Open positions:

MARKETING and COMMUNICATION

Marketing research on partnerships, including developing new partnerships, build collaborations for event sponsorships, assistance of social media strategy and implementation.

GRAPHIC DESIGN

Graphic design, implementation of visual identity for CAFx2018 (festivals in Copenhagen, Aarhus and Aalborg), co-development and implementation of strategy for web, SoMe and print.

PRODUCTION

Planning and implementation of productions for the festival period, assisting the head of production with logistics and distribution.

EVENT and COORDINATION

Administrative planning, allocation and execution of events. Guest coordination prior to and during the festival in May 2018.

START OF INTERNSHIP

January 2018 with a minimum stay of 3 months

INTERESTED?

We encourage Danish and English speaking interns to apply for the open positions. As part of CAFx, you will experience inspiring collaborations with prominent venues as well as professionals and work closely with a great team of dedicated festival people in a vibrant and humorous working environment.

We are looking for creative people that are not afraid of challenges, understand the importance of good content including it's communication. We offer the possibility to adapt the workdays to other obligations. The internship is unpaid.

APPLY NOW!

Would you like to become part of CAFx2018? Please submit your crisp application (*max. 10 mb*) via www.cafx.dk.

If you have any questions, please contact our head of communication Katharina Wolf via wolf@cafx.dk.

APPLICATION DEADLINE

November 15th, 2017
